MISSION STATEMENT

We will, by the grace of God, work for the respect and protection of all human life from conception to natural death. We will do this through prayer, education and political action.

Who We Are

We are a non-denominational, non-profit volunteer group of people dedicated to raising awareness of the sanctity of all life from conception to natural death. Swift Current Pro Life has been active in the Swift Current and area of Southwest Saskatchewan since 1979.

We welcome all those who share our beliefs on life issues.

- We oppose abortion and educate the general public on the humanity of the unborn child from the time of fertilization.
- We inform others on the psychological, physical and spiritual consequences of abortion.
- We oppose euthanasia (sometimes called mercy killing, doctor assisted suicide, right to die, death with dignity, aid in dying). The reality is, euthanasia is an action or omission which by intention kills a person. Euthanasia is medical killing, and must not be allowed.

Your donation will assist us in educating society on these important issues.

Join Us In Supporting Life

What We Do

- We promote Respect for Life through the airing of daily pro life radio commercials on 98.1, the Swift Current FM radio station.
- We air pro life commercials on CKSW, the Swift Current AM radio station, for special occasions such as the Day of Reflection for Life and Love Lost in January, and the March For Life in May.
- We publish pro life educational ads in over 10,500 rural newspapers in SW Saskatchewan.
- We publish a newsletter four times yearly giving you updates on what is happening in our own area, province and country on all the pro life issues.
- We assist new moms with baby clothing and other items, keeping a supply of items on hand so they are there and ready when we get a request.

Staying Connected

Our website, www.swiftcurrentprolife.com, is loaded with good pro life information. There you can connect to other pro life groups in Canada. Our Facebook page receives thousands of hits each week from all over Canada, the USA and foreign countries.

We are a part of www.youthraplife.com, the Youth Rap Life website which educates our young people on chastity and pro life issues. Go there to receive a free baby feet pin, the national emblem of pro life. Their popular Facebook page contains similar information as well as posts of interest to our youth.

We are also part of the Great Southwest Life Network, www.gswlifenet.com, where we network with others and inform on pro life actions you can take to further the message of life.

Resource Material

Resource items are available from our office which is shared with Teen-Aid Southwest in the Professional building on Cheadle Street in Swift Current. Also available is a post-abortion healing video for those who suffer from past abortions. If you are looking for something specific, please call our office.

Funding

Our funding comes from people like you who believe in the work we are doing to educate society and assist those who find themselves with an unplanned pregnancy, including young couples who may need assistance in certain cases.

We receive no government funding and operate solely on the funds we receive from people like you and from the proceeds of our fundraisers.

Our major fundraisers include the sale of symbolic "Roses For Life" which are placed on a banner and taken to the provincial March For Life and local Walks For Life in May.

The sale of Christmas Cakes each year benefits us greatly with our financial needs. Various other items, such as Pro Life vehicle magnets, yard signs, T-shirts, "Life Savers" candy, pins, etc., are sold on an ongoing basis.

We are grateful for every dollar we receive and use our funds where we reap the most benefits.
